

Requirements in English

All bachelor applicants should submit their CSCA test report when apply. They are supposed to pass CSCA tests. The minimum passing grade is 50 of 100 points for each subject. There are the following subjects in CSCA test:

1. Chinese, only for bachelor program instructed in Chinese, for HSK4 holder, it will be exempted;
2. Mathematics, for all students, no matter what type bachelor program they will choose;
3. One subject from Physics and Chemistry, based on the what bachelor program student apply, such as Chemistry for MBBS, BDS and Pharmacy, and Physics for Civil Engineering, Software Engineering, and Architecture, etc.

Pilot examination has been administered to all fresh bachelor students of top universities for several years. The result of pilot tests showed that vast majority of newly admitted international bachelor students without foundation program could not pass CSCA. For all applicants of EMI bachelor programs 2026, if English less than IELTS 6.0 or mathematics/physics/chemistry is not good enough, Please choose our foundation programs. We strongly suggest our applicants consider foundation program first. The benefit of foundation program:

1. Preparatory courses will be arranged to help student pass CSCA tests.
2. For all foundation students who pass the final exams, will be ensure a bachelor seat. Majority bachelor seat are reserved for foundation students.
3. For some hot bachelor programs such as MBBS, BDS, Software Engineering and International Economics and Trade, foundation program can help you reserve a seat in advance.
4. For bachelor program with scholarship, such as Architecture, Civil Engineering, International Trade, Tourism, Software Engineering, and Pharmacy, majority of seat of scholarship will come from foundation program.
5. Foundation programs can also enable international students to consolidate their foundation for their majors, and ensure students a smooth transition from home high school to international bachelor program.

For all EMI foundation program, applicants' English should be above IELTS 5.5 or equivalent. Students without IELTS 5.5 can join in the foundation program first, but they must pass the English Proficiency Test held at the end of foundation program.

要求(中文):

所有本科申请人在申请时都应提交他们的 CSCA 考试成绩报告。申请人应通过 CSCA 考试。每门科目的最低合格分数为 100 分中的 50 分。CSCA 考试包括以下科目:

1. 中文科目: 仅针对中文授课的本科项目。持有 HSK4 级证书的申请人可免考该科目;
2. 数学科目: 适用于所有学生, 无论他们选择何种类型的本科项目;
3. 物理或化学科目(二选一): 根据所申请的本科专业确定。例如, 申请 MBBS、BDS 和药学(Pharmacy) 需要考化学; 申请 土木工程、软件工程、建筑学 等专业需要考物理。

CSCA 的试点考试已经在多所顶尖大学的新入学本科生中实施多年。试点结果显示, 绝大多数未参加预科课程的国际本科新生无法通过 CSCA 考试。

对于所有申请 2026 年全英文授课(EMI) 本科项目的学生, 如果英语成绩低于雅思 6.0, 或数学、物理、化学成绩不够理想, 请选择我们的 预科课程 (Foundation Program)。我们强烈建议申请人优先考虑预科课程。

预科课程的优势如下:

1. 将安排预备课程, 帮助学生通过 CSCA 考试;
2. 所有通过期末考试的预科生都将被确保获得本科入学名额。大部分本科名额保留给预科学生;
3. 对于一些热门本科专业, 如 MBBS、BDS、软件工程、国际经济与贸易, 预科课程可以帮助学生提前预留本科席位;
4. 对于设有奖学金的本科专业, 如 建筑学、土木工程、国际贸易、旅游管理、软件工程和药学, 大部分奖学金名额将来自预科项目学生;
5. 预科课程还可以帮助国际学生巩固专业基础, 确保学生从本国高中顺利过渡到国际本科课程。

对于所有全英文授课的预科项目, 申请人的英语水平应达到 雅思 5.5 或同等水平。未达到雅思 5.5 的学生可以先进入预科课程学习, 但必须在预科课程结束时通过 英语水平测试 (English Proficiency Test)。
